

**STREET SHEET**  
for 11.01.09 Sunday teaching

This weekly guide is designed for use in combination with our Sunday Bible teachings.

Its purpose is three-fold.

**One:** That you would wrestle on your own with the Bible text being taught.

**Two:** Equip you to not just soak in a teaching but to “take it to the street”.

**Three:** Offer opportunity for interaction on a teaching/text beyond Sunday listening.

**STUDY :: James:3:1-12**

**Read:** Read the text.

**Reflect:** Write down the answers to the following questions.

1- What is this passage about? (identify people, places, action)

2- Where do I see Jesus in this passage?

3- What do I learn from this passage? (what are some principles or truths)

4- How can I apply what I've learned?
