This weekly guide is designed for use in combination with our Sunday Bible teachings.

Its purpose is three-fold.

One: That you would wrestle on your own with the Bible text being taught.

Two: Equip you to not just soak in a teaching but to “take it to the street”.

Three: Offer opportunity for interaction on a teaching/text beyond Sunday listening.

Reflect: Write down the answers to the following questions.

- 4- What do I learn from this passage? (what are some principles or truths)
- 5- How can I apply what I've learned?
